Mode: Virtual EVENT

DESCRIPTION

The first Jean Monnet Workshop of the interfaculty and interdisciplinary Institute for European Studies of Ivane Javakhishvili Tbilisi State University aims at the official presentation of the Jean Monnet EUSTBA project to its key stakeholders. This kick-off event will be followed by discussions related to the finalization of the preparatory phase of the upcoming first TSU Jean Monnet International Virtual Conference as well as the preliminary review of the content and some of the learning outcomes of the planned undergraduate programme in European Studies.

This event will be dedicated to the celebrations of the Europe Day and the 7th anniversary since the EU- Georgia Association Agreement.

Building of the new Bachelor's programme coincided with the fourth mandatory re-accreditation period of the EU-established Master's in European Studies curriculum. Hence, the workshop outcomes will be synergized for the two programme purposes, leading to the appreciation of the standards of the quality of the higher education as authorized by the Georgian state regulations within the frames of the Bologna process.
